Maximum HP	200hp	
Recommended HP	175hp	
Max No. Persons	6	
Fuel Capacity	190L	

Note: All heights, lengths & widths are based on an applicable CruiseCraft trailer.

**Our all new Explorer 595HT establishes a new bench mark for family fishing and cruising. The famed Cruise Craft Explorer range now boasts an all new Hard Top model which is conveniently positioned between the established 575 and 625HT models.**

The brilliance of the CruiseCraft design team is evident with this new model... the cockpit in the new Explorer 595 HT is wider than ever... inside the cockpit is a full length patterned fibreglass floor liner that extends up the sides to just under the coaming.

Stand three abreast at the helm, under the Hard Top. Enjoy unequalled protection from sun, spray and storms. Extend your fishing season. The new Explorer 595 HT model from CruiseCraft delivers on all counts.

Just like the other Hard Top models, Cruise Craft has incorporated sliding glass side windows for excellent flow of fresh air. The inside of the Hard Top moulding is smooth and clean for a sharp and fresh finish. And even more protection is available with the addition of the optional SST sliding extension.

Need more? Customers can also now select an optional lockable Perspex sliding cabin door to make your boat secure.

Family boating has never been better with the range of CruiseCraft Explorers. Now the boaters have an even bigger selection of models with the release of the all new mid range Explorer 595HT.

**Disclaimer:** As new technology and advanced new manufacturing techniques are constantly being developed, CRUISE-CRAFT BOATS Pty. Ltd. reserves the right to change model and specifications without incurring any obligations whatsoever. As many of the photos in this catalogue are of boats owned by CruiseCraft customers, they may show optional and non-standard equipment, features such as curtains, rails, etc. Weights listed in this catalogue are as accurate as can be reasonably determined in terms of boat, motor, trailer and fit out combinations.
